Gary,

Just forwarding FYI...

I've had conversations with Jonathan Carroll and received e-mails, but we do not have any service agreements. He did want for me to provide the weekly reports.

The response from Stephen below tells me TRC is not confident they are is still in... I am not sure TRC will allow for me to send out a report...

I may be looking for work next week...

I'm in san angelo. If no agreement Mark is requiring that we furlough you till we get work. Sorry but with no work I'm sure you understand.
